

## Treasury Department,

BUREAU OF THE MINT,

Washington, D. C., May 7<sup>th</sup>, 1883.

Sir:

The Superintendent of the Mint at Carson requests that he be furnished by your Mint with standard gauges for the measurement of the height of piles of twenty pieces of the following denominations of coins:

Double Eagles, Eagles and Half-eagles.

You will please cause these gauges to be made and transmitted to the Carson Mint.

Very respectfully,  
Horatio C. Brinson  
Director

Alfred Snowden, Esq.,

Supt. Mint,

Philadelphia.

[Abstract:] Requisition for Standard gauges for height...

Treasury Department,  
Bureau of the Mint,  
Washington, D.C.,  
May 7, 1883

Sir:

The Superintendent of the Mint at Carson requests that he be furnished by your Mint with standard gauges for the measurement of the height of piles of twenty pieces of the following denominations of coins:

Double Eagles, Eagles, and Half-eagles.

You will please cause these gauges to be made and transmitted to the Carson Mint.

Very respectfully,  
Horatio C. Burchard  
Director

A. Loudon Snowden, Esq.,  
Supt. Mint,  
Philadelphia.
